

# 2019 PERFORMANCE GTR-X<sup>™</sup> 230

## High Performance and High Value

### X Package

- Racing Handlebar with Adjustable Riser
- Launch Control
- Angled Footwell Wedges
- X-Gauge
- Exclusive Gauge Functions
- Exclusive Coloration

 Liquid Metal and Neon Yellow

**ITC** / **iBR** / **CLCS** / **ECO**

### Capacity

Rider capacity	
Weight capacity	400 lb / 182 kg
Fuel capacity	15.9 US gal / 60 L
Glove Box	1.7 US gal / 6.4 L
Front Bin	29 US gal / 110 L
Storage capacity - Total	30.7 US gal / 116.4 L

### Dimensions

Length (bumper to bumper)	130.6" / 331.6 cm
Width	48.5" / 123.1 cm
Height	45" / 114.3 cm

### Hull

Type	GTI <sup>™</sup> Hull
Material	Fiberglass

### Other features

iControl <sup>®</sup>	RF D.E.S.S. <sup>™</sup> Key
ECO <sup>®</sup> Mode	LinQ <sup>™</sup> Attachment System (Accessory)
Ergolock <sup>™</sup> Seat	Wide-Angle Mirrors
Seat Strap	Handlebar with Palm Rests
High-Performance VTS <sup>™</sup> (Variable Trim System)	Footwell Carpets
Launch Control	Tow Hook

### Rotax<sup>®</sup> Engine 1500 HO ACE<sup>™</sup>

Intake system	Supercharged with external intercooler
Displacement	1,494 cc
Cooling	Closed-Loop Cooling system (CLCS)
Reverse system	Electronic iBR <sup>®*</sup>
Fuel type	87 octane
Throttle System	iTC <sup>™</sup> (Intelligent Throttle Control) system
Exhaust System	D-Sea-Bel <sup>™</sup> system

### Gauge

Type of Gauge	7.6" Wide Digital Display
Main Functions	Speedometer RPM Clock VTS <sup>™</sup> Display Speed statistics Vehicle Hour Display Launch control Sport Mode ECO <sup>®</sup> Mode Slow Mode Speed Limiter

### Weight

Dry weight	821 lb / 373 kg
------------	-----------------

### Warranty

BRP limited warranty covers the watercraft for one year.

\*Electronic brake, neutral and reverse.

## Feature Highlights

Equipped with Advanced Combustion Efficiency (ACE) technology, this powerful engine comes with a maintenance-free supercharger<sup>1</sup> and external intercooler and is optimized for regular fuel for lower fuel cost.

A narrow seat profile with deep knee pockets lets riders sit naturally and use the leg muscles to hold onto the machine for more control.

Provides handlebar-activated quick settings so riders can easily find the ideal trim for varying conditions.

A telescopic steering system that optimizes the experience for varying rider sizes.

Forgiving and nimble for a predictable ride in smooth and moderate water conditions.

Exclusive to Sea-Doo®, iBR® stops the watercraft sooner and provides more control and maneuverability at low speeds and in reverse.

## Trailer (optional)

- Fully adjustable carpeted bunks (side-to-side/front-to-back) allow you to change bunk angles to fit all watercraft.
- Custom frame design requires less water to load and unload watercraft.
- Sealed maintenance-free wheel bearings for added peace of mind.
- All models are available with a galvanized frame for extended life in all weather conditions or in a painted black version, with or without Marine Jack.
- Move I Extended 1250 and Move II are also available in an aluminum frame, that delivers better corrosion resistance to significantly extend life of trailer.

Aluminum MOVE II

Aluminum MOVE I Extended 1250
